

## MGF Beef Royale™ Mixture

Our MGF Beef Royale Mixture offers a premium beef pasture mix. Beef Royale combines multiple varieties of tall fescue and orchardgrass with perennial ryegrass and white clover. Having multiple varieties of some species allows this mix to remain palatable throughout more of the grazing season.

MGF Beef Royale is designed to offer premium nutrition and palatability for beef cattle, with long persistence.

This premixed option makes seeding as simple as possible! This mixture comes in 50# bags.

<b>Seeding Method:</b>	Drill, broadcast
<b>Seeding Rate:</b>	25# for new seedings, 10 - 15# overseeding
<b>Seeding Depth:</b>	1/4" - 1/2"
<b>Seeding Dates:</b>	3/1 - 5/1 or 8/15 - 9/20
<b>Notes:</b>	Comes in 50# bags. Best for grazing. The white clover is not recommended for hay usage.
