

Paramount RR

Paramount is a high-yielding, premium alfalfa that is glyphosate tolerant. It has great, maintained forage quality and is very palatable. It is well rounded with a great agronomic disease package.

This product offers the ability to use RoundUp® Products to control problematic weeds. Those who purchase this product **MUST SIGN A TECHNOLOGY AGREEMENT.**

Paramount comes with a replant policy that if notified of a problem within 60 days of establishment, replant seed is 50% retail cost.
